10th IEEE International Symposium on Smart Electronic Systems (IEEE-iSES)

16-18 DEC 2024 @ New Delhi, INDIA <http://www.ieee-ises.org>

Call for Design Contest Theme: Edge AI on STM32

IEEE-iSES announces a design contest organized by STMicroelectronics. The aim of the contest is to encourage the students to solve real world problems and provide them a platform to showcase their innovations. Whether it is improving the quality of healthcare, allowing better energy efficiency of edge models or integrating AI, all ideas from all background and expertise levels are welcome.

Area of Designs

Ideas invited in areas of (but not limited to):

- Wellness and Healthcare
- Energy Management
- Human Activity Recognition
- Robotics
- Smart Things
- Energy Harvesting

Important Dates

- Launch: 17th June
- Last date to receive idea : 7th July
- Orientation session: 20th June and 25th June
 - Time : 7:30 pm – 8:30 pm, Link : <https://shorturl.at/ZfLzX>
- Selected idea announcement and board shipping : 19th July
- Last day of implemented idea submission : 7th November

Submission Instructions

This is a team event and each team can have up to three students. Submit a two-page abstract (including figures and references) to the following link:
